

YOU ARE A PART OF SOMETHING GREATER.

When you join your local chamber of commerce or board of trade, you become a member of the **Ontario Chamber of Commerce (OCC)**, a **strong network of over 60,000 business owners** like you from across the province. Providing you with a foundation for success, the OCC equips businesses like yours with tools and opportunities to help you grow through **principled policy work and advocacy** and **value-added business services and programs**.

POLICY WORK AND ADVOCACY

Belonging to your local chamber of commerce/board of trade will ensure you are updated on the latest issues impacting your bottom line, such as regulatory developments, legislative changes and market trends. As the province's largest and most credible business network, we work to influence policies that help your industry and sector. Through proactive government and media relations, principled policy work, and comprehensive campaigns, the network is at the forefront of advocacy at Queen's Park.
